

# Permanent Magnet Lifter

Powered by strongest NdFeB Permanent Magnet and with our unique design, our lifter has below features:

- 1, Small and most compact.
- 2, No need of electricity and no dangerous from sudden cut off of electricity.
- 3, No damage to contacting surface of lifted objects.
- 4, The position of magnetism on/off switch is secured by a BUTTON
- 5, With a V shape slot through the center of holding surface, both round and flat steel objects can be lifted
- 6, Safety Factor of all types is 3.5 Minimum.

P/N	Rated Lifting Strength (KG)	Pull-off Strength (KG)	L (mm)	B (mm)	H (mm)	R (mm)	Max Working Temperature (°C)	Weight (KG)
